David Garr, Deputy Executive Director
Frances Short, Executive Director

Others Present

Mike Rankin

Office of the Attorney General:

Mark Brengelman, Assistant Attorney General

.....
Call to order:

Mr. Watkins, Board Chair called the meeting to order at 9:55 a.m.

Approval of Minutes:

Ms. Prouty made a motion to approve the June 10, 2010 minutes as amended. Dr. Hayden seconded the motion. The motion carried. Dr. Robbins made a motion to approve the July 8, 2010 minutes. Dr. Hayden seconded the motion. The motion carried.

Approval of Financial Statement:

Ms. Head made a motion to approve the financial statement. Ms. Wade seconded the motion. The motion carried.

Executive Director's report:

Ms. Short provided further detail regarding the proposed draft Memorandum of Agreement between the Office of Occupations and Professions and the Kentucky Board of Licensure for Marriage and Family Therapists. This document will serve as a written list of administrative duties performed by the Office of Occupations and Professions on behalf of the Kentucky Board of Licensure for Marriage and Family Therapists and as a written explanation of the administrative fees charged by the Office of Occupations and Professions on a quarterly basis.

Old Business:

No old business was discussed.

New Business:

The Board Chair asked the Board to review the regulations and to make him aware of any discrepancies within the regulations so the Board can revise the regulations as needed.

The Board Chair will work with the Board Administrator to prepare a letter to all licensees informing them of administrative changes recently implemented by the board.

The Board requested the post card renewal notices be mailed 30 days prior to the renewal date to coincide with the on line renewal process which cannot be completed more than 30 days in advance.

The Board discussed 201 KAR 32:025, Section 7. The board discussed development of parameters and criteria when allowing a supervisor to supervise more than 6 supervisees. Criteria which was discussed included consideration of the number of supervisors available in a specific area, the overlap of supervisees whose time will end and new supervisees, whether the associate is a first year supervisee, the amount of time spent by the supervisor with supervisees both on an individual and group basis, and what the supervisor has to provide the supervisee with regard to group therapy, individual therapy, raw data, and case review. The Board discussed revising the supervision form to include the question, "Are you

an AMFT supervisor?" The Board requested a list of approved supervisors and a list of requirements to become a board approved supervisor be posted on the Board's website.

The Board discussed proposed revisions to the Board's website. The Executive Director indicated Jeff Boler, RMA, could attend the next board meeting to discuss any proposed website changes with the Board.
